Download Your Ticket
To ensure smooth entry, open your order confirmation email. From there, you can "View Ticket" or save to your phone's digital wallet. If you select "view ticket" you will also have to option to text or print your ticket. Please have your ticket readily available. View diagram on page 3.

PARKING & PARKING PASSES

Parking is available for $5 per vehicle, with four convenient parking lots to choose from. Complimentary shuttle service will run continuously from each parking lot to the main gates and festival grounds, making it quick and easy to get to the action. To help reduce traffic and speed up entry, we encourage guests to carpool whenever possible.

Pre-Purchased Parking Passes

If you purchased parking online, simply have your event ticket ready when you arrive at the parking lot. Your assigned parking lot letter (A, B, C, or D) is printed directly on your ticket. Please proceed to the entrance for the lettered lot shown on your ticket, where event staff will direct you to your parking area. Your event ticket and parking pass have the same qr code. Only one parking pass needs to be scanned per vehicle.

After parking, each guest must still present their own event ticket at the main entrance for admission into the festival.

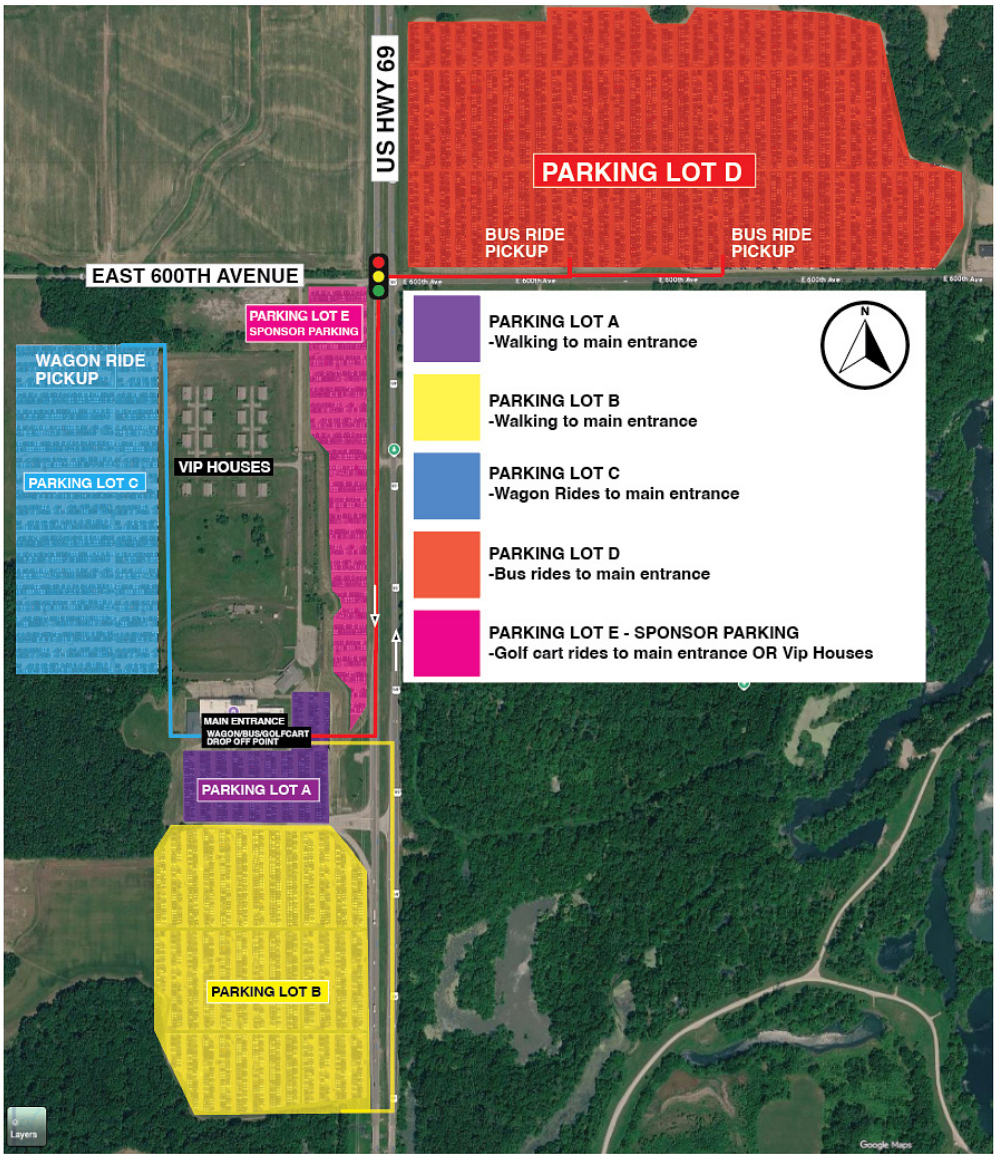

Parking Purchased at the Gate

If you did not purchase parking in advance, parking is available at the entrance to each parking lot for $5 per vehicle while spots last. Cash and card will be accepted.

See parking map on the next page.

Drop Off

For the convenience of guests who may need additional assistance, vehicles are welcome to drop off passengers at the main entrance before proceeding to their assigned parking lot. This is especially helpful for guests with mobility challenges, families with young children, or anyone who would benefit from a shorter walk. After passengers have been safely dropped off, drivers should follow event staff to their designated parking area and use the complimentary shuttle service back to the festival entrance.

Parking Lot Rules

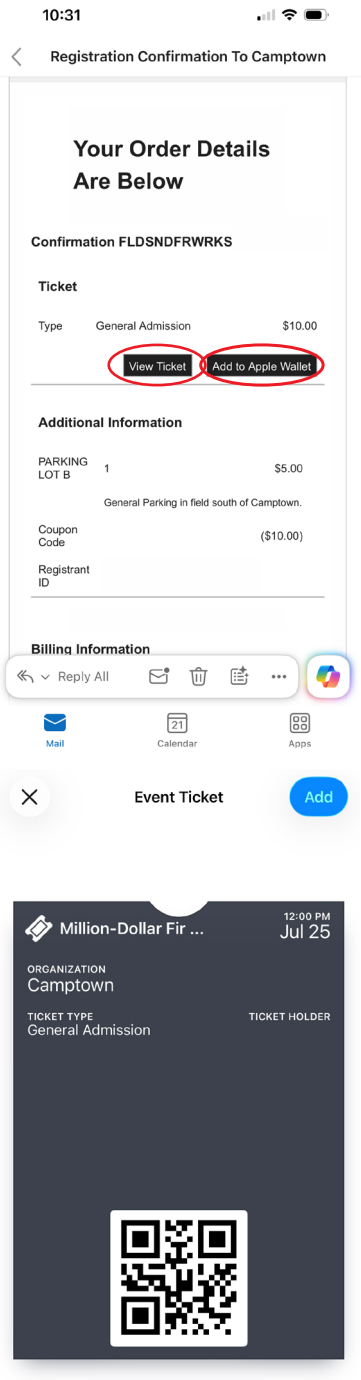

- Guests must follow the directions given by staff.
- One vehicle per one parking space.
- Parking lots open around 2:30 pm unless otherwise communicated.
- Guests may not remain or "hang out" in the parking lots or outside of the venue at any point before, during, or after the event.
- Guests may leave the parking lot and re-enter at their own risk, but will need to re-pay the $5 upon re-entry, and their space is not guaranteed.

MILLION-DOLLAR FIREWORKS FESTIVAL

SAFETY

Medical & Heat Safety

Your safety is our top priority. Girard Medical Center will have medical personnel on-site throughout the event to assist with any medical needs or emergencies.

With hot summer temperatures expected, we encourage all guests to take precautions against the heat. Drink plenty of water, take advantage of the complimentary water stations located throughout the festival grounds, seek shade when needed, and take breaks if you begin to feel overheated. Wear lightweight clothing, sunscreen, sunglasses, and a hat to help protect yourself from the sun. If you or someone around you experiences signs of heat exhaustion or any medical emergency, please notify the nearest event staff member or medical personnel immediately.

Local Law Enforcement

For the safety and security of all guests, local law enforcement officers and event security personnel will be on-site throughout the festival. Their presence is intended to provide a safe, family-friendly environment and to assist with traffic, guest safety, and any situations that may arise during the event.

Fireworks Safety

The Million Dollar Fireworks Show is a professionally produced display featuring 1.3G professional fireworks and is conducted by licensed pyrotechnicians under strict safety standards. For your safety, all guests must remain within the designated spectator viewing areas throughout the fireworks presentation.

A clearly marked Hot Zone will surround the fireworks launch site. This restricted area is established to ensure the safety of guests, performers, staff, and crew. No spectators are permitted inside the Hot Zone at any time, before, during, or after the fireworks display. Please respect all barricades, fencing, signage, and instructions from event staff and law enforcement.

For the best and safest experience, remain in the designated viewing areas, supervise children at all times, and never attempt to retrieve fireworks debris or enter restricted areas after the show. Your cooperation helps ensure a safe and spectacular experience for everyone.

Traffic Safety

Please plan for heavier-than-normal traffic before and after the event on Highway 69 and the surrounding cities. Follow all posted signs and directions from law enforcement officers, parking attendants, and event staff as they work to safely move vehicles in and out of the festival grounds. Be patient, drive cautiously, and watch for pedestrians, shuttle buses, and emergency vehicles throughout the parking areas. To help reduce congestion and speed up entry and exit, guests are encouraged to carpool whenever possible. Most importantly, never drive impaired—if you have consumed alcohol, please arrange for a designated driver or other safe transportation home.

FREQUENTLY ASKED QUESTIONS
